

## **Remember My Service – Vietnam 50<sup>th</sup> Anniversary** **Mississippi First Edition Commemorative Gift Project**

We are now in the peak years of the 50<sup>th</sup> Commemoration of the Vietnam War and we have an obligation to do something meaningful and substantive to show honor and gratitude to each Vietnam-era veteran residing in Mississippi. With the help and generosity of Mississippi's citizens, business and philanthropic leaders, Mississippi will present a special First Mississippi Edition Commemorative Gift of a hardbound book and eBook, *A Time to Honor: Stories of Service, Duty and Sacrifice*, <https://vimeo.com/127184606> with accompanying feature documentary *The Journey Home* to Mississippi Veterans who served in the Vietnam War. This non-profit and national initiative is designed to provide each state with an opportunity to have a special edition of the gift customized with messages of gratitude from the State and sponsors of the project.
